

Highest creditworthiness

© Soliditet

MACRO BUDAPEST Ltd.

10794380-2-43

The financial risk of establishing business relationship with the above mentioned business association is extremely low. At the Hungarian market only 0.63 per cent of the companies are entitled to AAA credit rating which represents excellent financial standing.

Soliditet, which has been established more than 100 years ago, is the member of the Bisnode group of companies being the leading group in providing business information services in Europe. The qualification system of Soliditet considers hundreds of variables when establishing – on a statistical and professional basis – which companies are the most dependable. The most dependable companies of Hungary with which the conclusion of businesses carries the lowest risk are selected through the inspection of all business undertakings on the basis of international standards and by applying the country-specific peculiarities as well.

Budapest, 31. 10. 2012.
